Covers of the edition of *Nahjul-Balagha* which Dar al-Ma'moon, publishing house for the Iraqi Ministry of Culture, published in full color in the fall of 2013 in three volumes enclosed

together in a nicely designed packet. This edition was released in November of 2013 and is now available with Dar al-Mamoon for all those who wish to acquire a copy of this treasure of knowledge.

18) Cover of al-Jibouri's translation of *Shi`as are the Ahl al-Sunnah*, one of the books written by Dr. Muhammad al-Tijani al-Samawi. Al-Jibouri designed its covers, re-wrote its first two chapters, numbered all its Qur'anic verses, provided the A.D. dates for all Islamic lunar dates and added some footnotes. Both al-Jibouri and Nasir Shamsi deleted all inflammatory sectarian statements from the translated text, thus improving its chances to be read by moderate and open-minded Sunni Muslims. It was first published by Vantage Press of New York in 1996; it has been reprinted a number of times, and it carries the Library of Congress Catalog Card No. 96-90442, ISBN 0-533-12055-1.

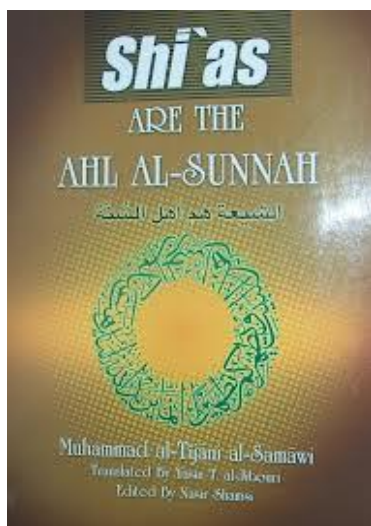

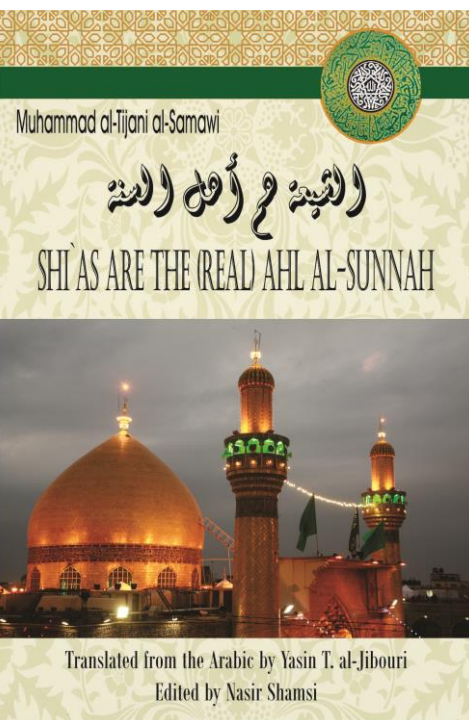

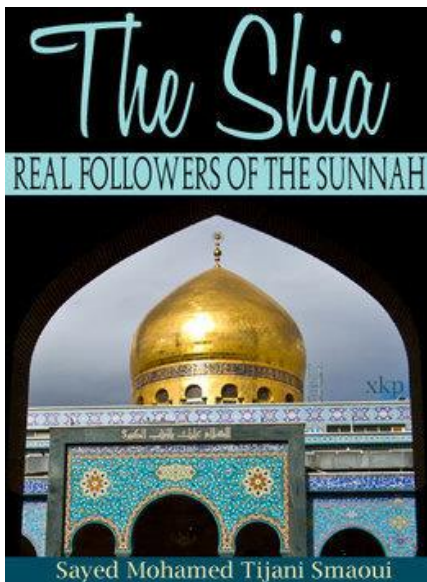

Image of al-Jibouri's translation titled *Shi`as are the Ahl al-Sunnah*. Presently, the name of its Publisher is unknown, but it is likely published by Ansariyan of Qum, Iran. This image was obtained from an Internet advertisement.

➡ Front cover design for the new U.S. edition of al-Tijani's book *Shi`as are the (Real) Ahl al-Sunnah* which al-Jibouri translated. This translation is expected to be available in December of 2013, *Insha-Allah*, it is already being printed in the U.S., and its Publisher is Authorhouse.

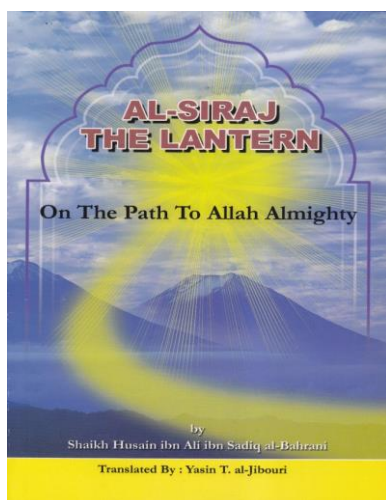

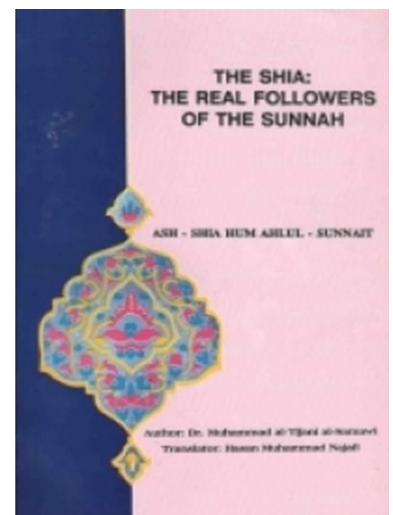

Internet advertisement of the same translation under the title *The Shia - The Real Followers of The Sunnah*. This is a EPUB format which is also available on the Kindle store or in PDF format.

This book can best be described as an inquiry of an explorer of the truth into the delicate yet essential question of: "Who is better qualified to the claim of being a follower of Islam's Prophet in spirit and in practice?"

Translated from the Arabic by Yasin T. al-Jibouri- Published by: Pyam-e-Aman, Bloomfield, New Jersey 07003, U.S.A.

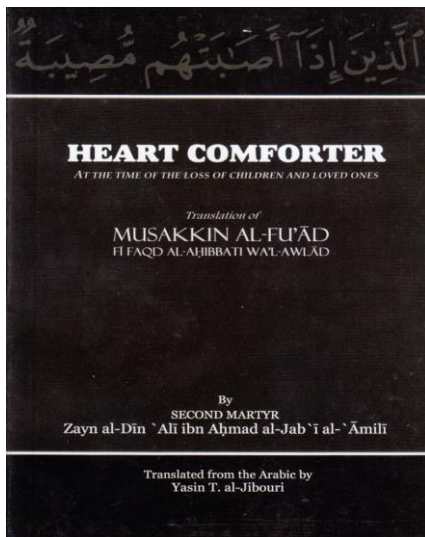

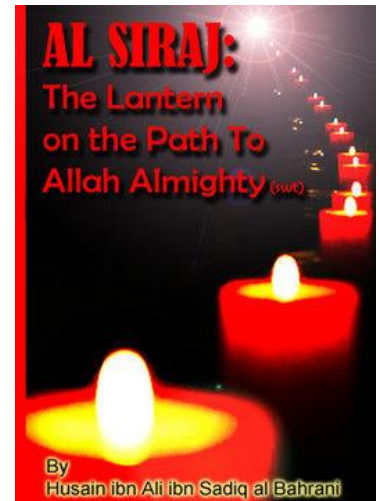

The same book published under the title of *The Shia: The Real Followers of the Sunnah* which Hasan Mohammad Najafi translated. It is published by Ansariyan Publications, and this the cover advertised on the Internet by Hujjat Bookshop.

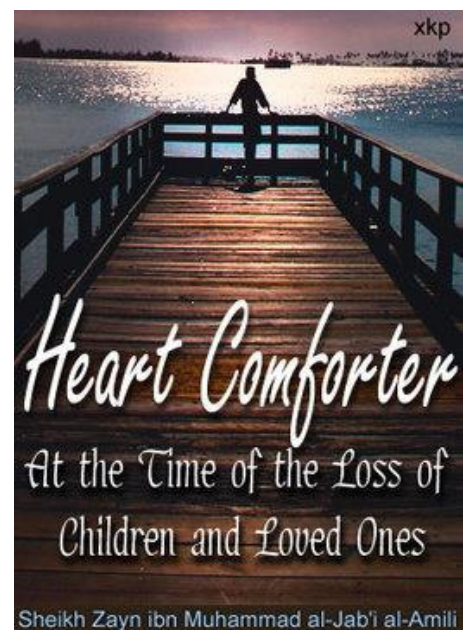

19) Front cover of al-Bahrani's book titled *Al-Siraj* which al-Jibouri translated, Habib al-Kazimi edited and Ansariyan published in 2004. It falls in 152 pages and carries ISBN 964-43-558-6.

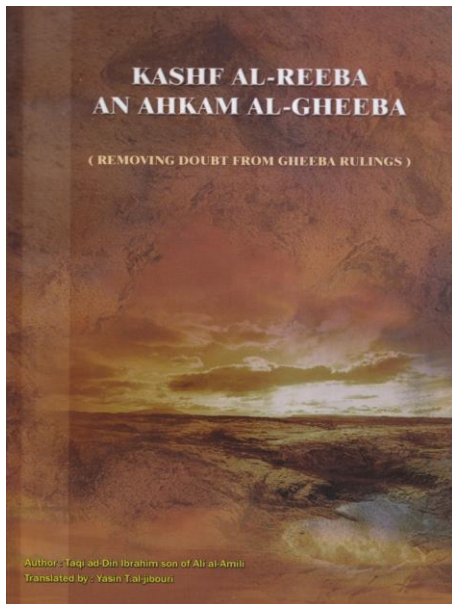

An electronic edition of Al-Siraj posted on the Internet by www.feedbooks.com.

20) Cover of the first edition dated 2010 of al-Jibouri's translation of the book titled in Arabic *مسكن الفؤاد في فقد الأحبة والأولاد* by Zayn al-Din Ali al-Āmili, ISBN 978-964-219-153-6. This is a unique translation, one of al-Jibouri's best: Each page is in Arabic faced by its English translation. It was a tough translation due to most texts in it going back to more than a thousand years.

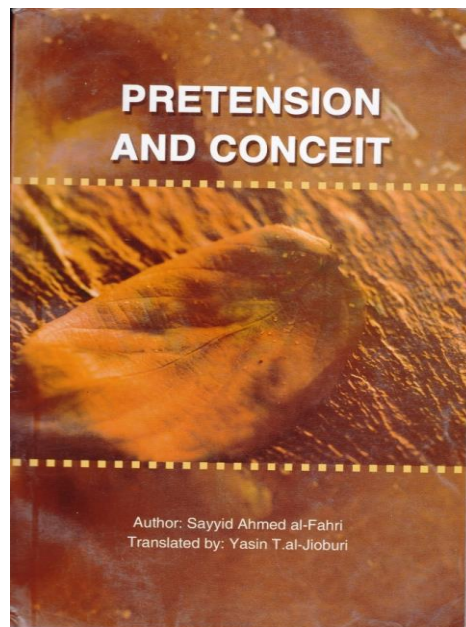

An electronic version of al-Jibouri's translation titled Heart Comforter posted on the Internet by a Muslim web site. The designer left no room for the Translator's name....!!!

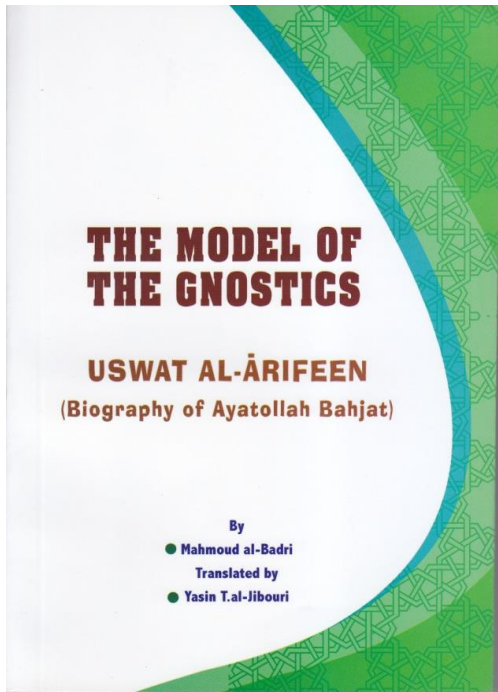

21) Front cover of al-Jibouri's translation of *Kashf al-Reeba an Ahkam al-Gheeba* of Taqi ad-Din Ibrahim al-Amili. Ansariyan published this book, which carries ISBN 978-964-438-977-1, in 2008.

- ➡ 22) Front cover of al-Jibouri's translation of **الرياء والعجب** *Pretension and Conceit*. It was published by Ansariyan in 2008 and carries ISBN 978-964-219-015-7.

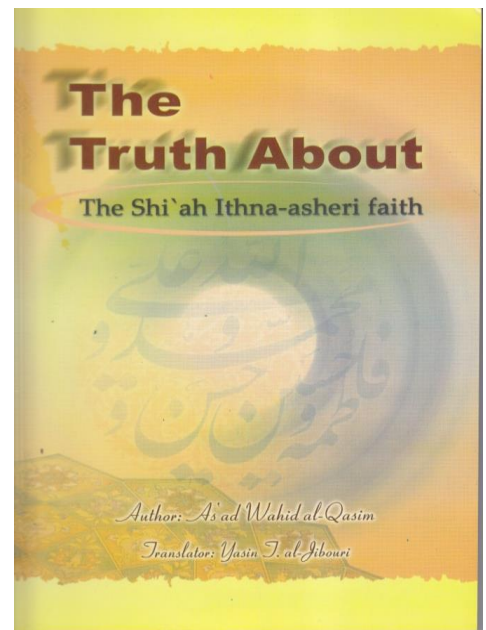

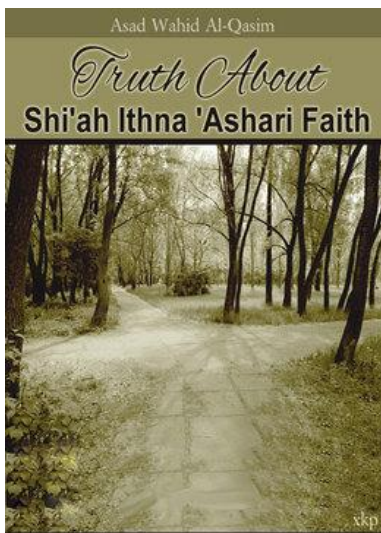

23) Cover of al-Jibouri's translation of أسوة العارفين *The (Role) Model of Gnostics*, and it was published in 2008 by Ansariyan and carries ISBN 978-964-219-016-4. This is a very interesting and inspiring book.

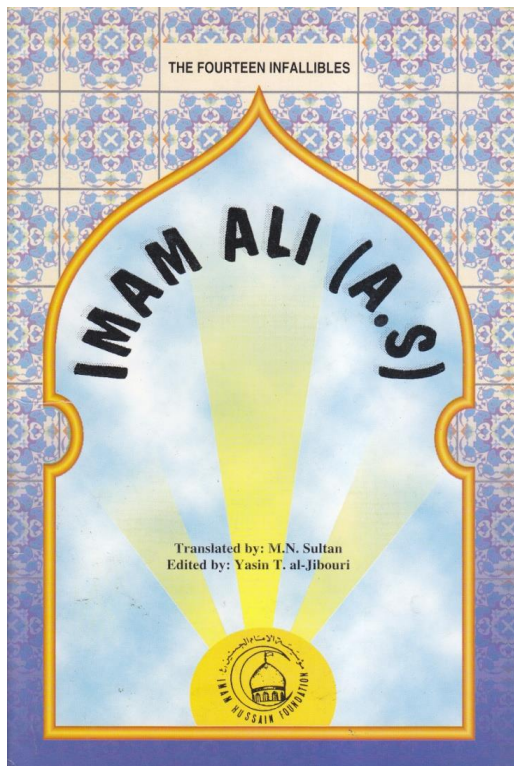

24) Front cover of al-Jibouri's translation of "The Truth About the Shi'ah Ithna-Asheri Faith", a book by a Palestinian Sunni doctor who embraced the Shi'a faith, namely As'ad Wahid al-Qasim. It was published by Ansariyan first in 2004 then in 2006 and has ISBN 964-438-617-5. It should inspire you, too, to embrace this great faith.

An electronic version of the same translation.

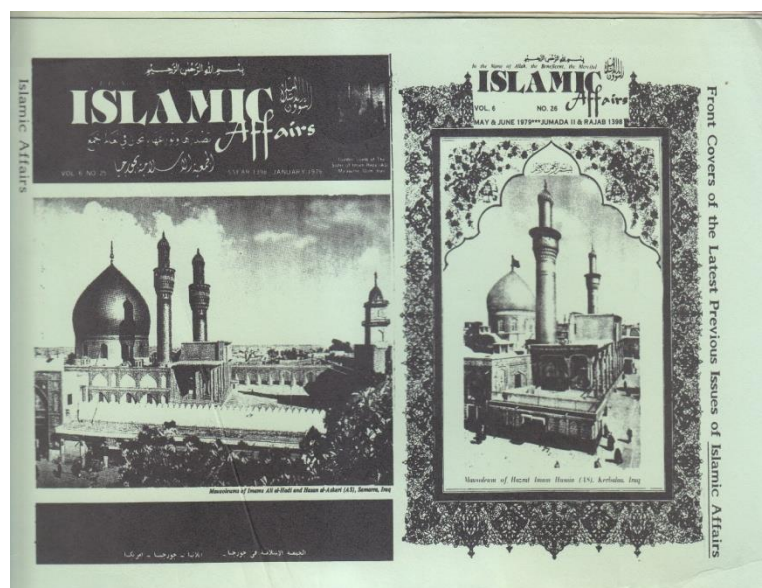

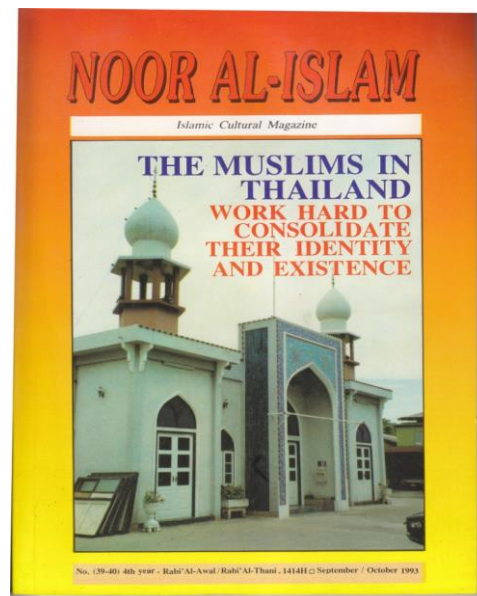

25) Front cover of *Your Kalima and the Savior* by Wajahat Husain, edited by al-Jibouri, published in New Jersey, U.S.A., in 2001 in 61 pages. It is inspired by al-Jibouri's *Kerbala and Beyond* book.

26) One of 14 in a series about the Infallibles ﷺ published in Beirut, Lebanon, by Imam Hussain Foundation which al-Jibouri edited.

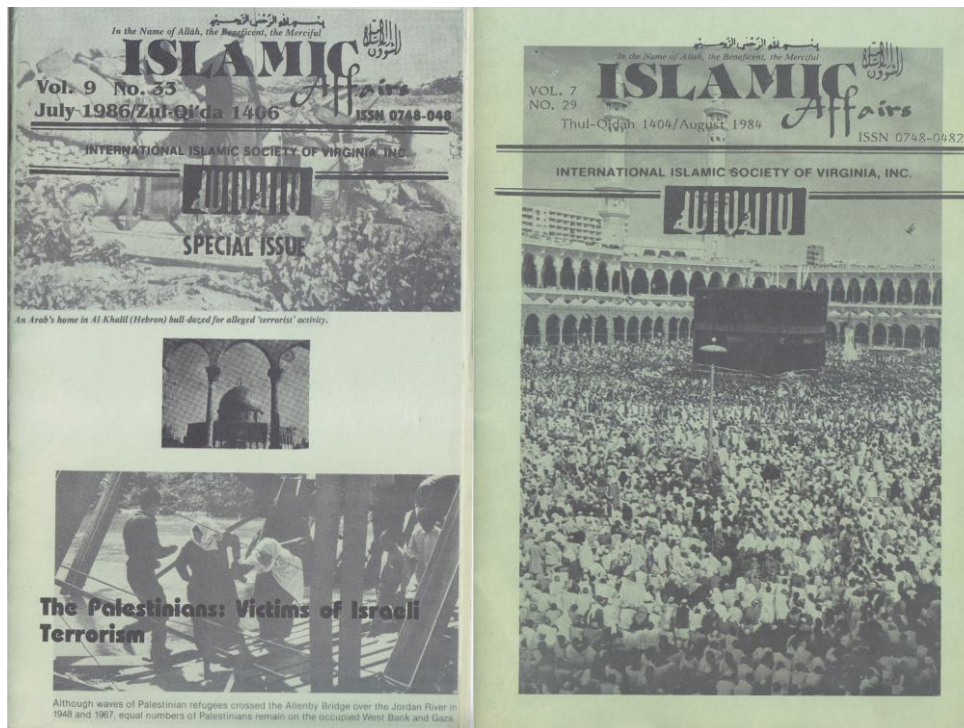

27) From 2010 – 2013, Yasin T. al-Jibouri edited the English section of *Noor Al-Islam* magazine which is published in Beirut, Lebanon, by the Imam Hussain عليه السلام Foundation.

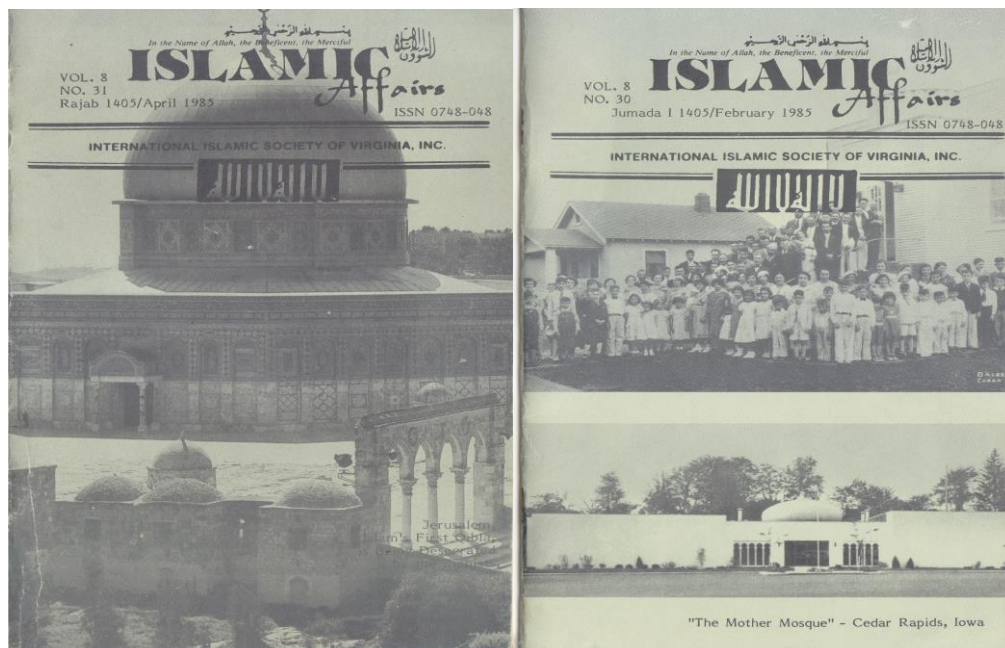

28) Covers, which al-Jibouri enjoyed designing, of issues of *Islamic Affairs* bulletins which he used to edit and publish in Atlanta, Georgia, prior to moving to Maryland then to Virginia. Al-Jibouri started editing and publishing *Islamic Affairs* in Atlanta, Georgia, in 1974 and continued its publication till 1979. Having settled in Northern Virginia, he resumed its publication in 1983 in a different format, then he had to

terminate it for good in 1989 due to insufficient financial support from the Muslim communities. This publication gained a great deal of popularity, and the Preface to al-Jibouri's book *Mary and Jesus in Islam* (both Ansariyan and Authorhouse editions) tells you more about it.

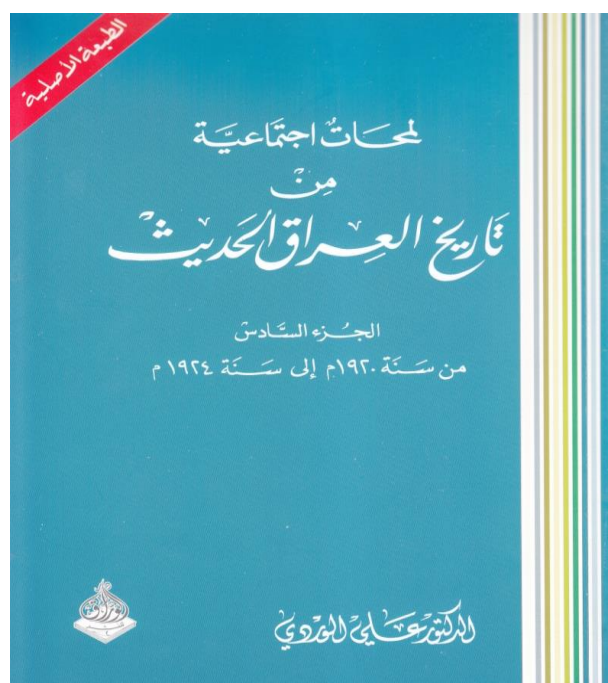

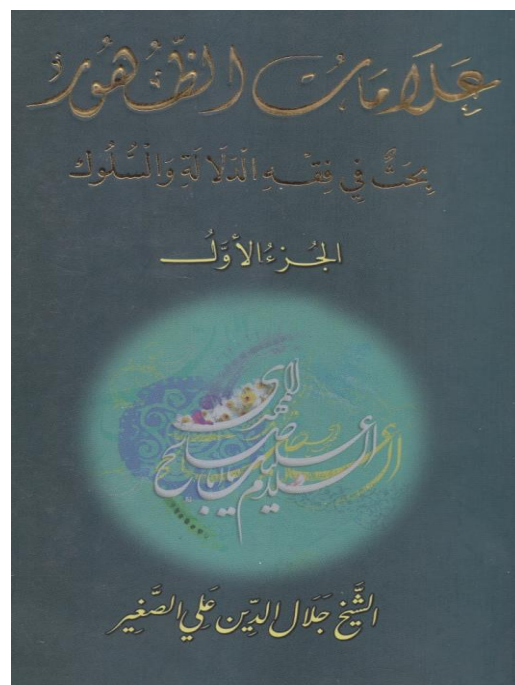

Below are front covers of other issues of this publication which unfortunately could not be sustained by the Muslim communities in the U.S....

29) Yasin T. al-Jibouri completed his translation of Volume One of *Alāmāt Al-Zuhoor* by Sheikh Jalal ad-Deen al-Sagheer, imam of the famous Buratha (or Baratha as he prefers) Mosque in Baghdad where Imam Ali عليه السلام once prayed. It has been published in Beirut, Lebanon, but I do not have a copy of its English edition at present time.

30) Yasin T. al-Jibouri has completed his translation of Volume Six *Social Glimpses of Iraq's Modern History* by late and great Iraqi sociologist, Dr. Ali al-Wardi, and is now translating Volume Seven which used to be described as a "Supplement" for Volume Six although the number of its pages exceeds that of Volume Six...!!!

31) Al-Jibouri translated *Human Rights Indicators* book from English into Arabic for the Iraqi ministry of human rights. It contains numerous graphic designs with text embedded in them; therefore, he is using three computer programs to do his job: 1) Corel Draw, 2) Adobe Photoshop and 3) MS Word. He hopes to be through with this task in August of this year (2013).

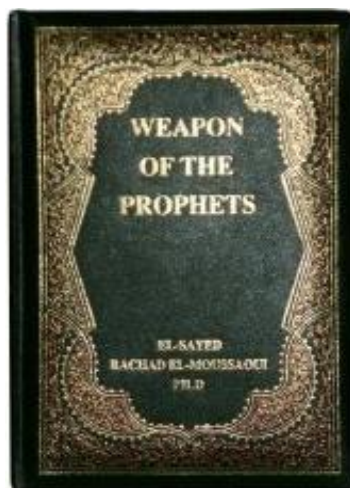

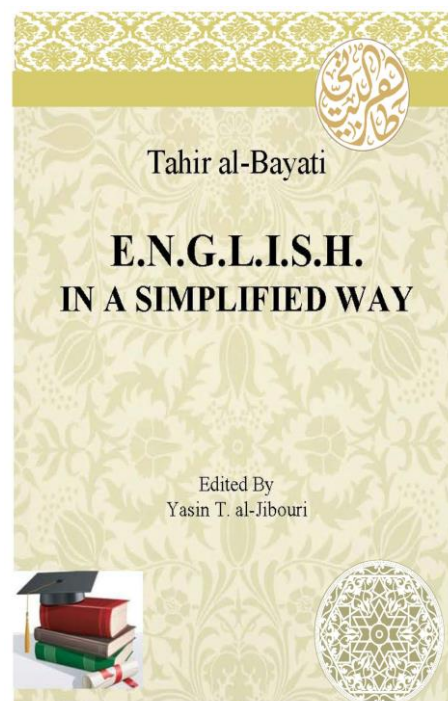

This book is published in the United States by the United Nations' Office of the High Commissioner and is not for marketing, so it has no ISBN.

32) *Tragedy of Fatima Daughter of Prophet Muhammed: Doubts Cast and Rebuttals* which is written by `allama Sayyid Jaafar Murtada al-Amili and translated by Yasin T. al-Jibouri. Publication Date: October 10, 2013. ISBNs:

ISBN: 978-1-4918-2692-8 (sc) (soft cover)
 ISBN: 978-1-4918-2691-1 (hc) (hard cover)
 ISBN: 978-1-4918-2693-5 (e) (electronic edition)

33) Al-Jibouri has just finished editing *English in a Simplified Way* by Tahir al-Bayati. This book is scheduled for publication in the United States in December of this year (2013). To the right is al-Jibouri's design of its front cover which the author has turned down. Another design is being done. Al-Jibouri has been designing covers and front pages since 1974 when he started in Atlanta, Georgia, U.S.A., the publication of *Islamic Affairs* bimonthly newsletter.

34)  Cover of Weapons of the Prophets, one of the books which I translated for a Lebanese university professor who removed my name as the Translator in order to give the false impression that he wrote it in English. It is a compilation of supplications. For more information, see how Amazon is now marketing it by clicking on
